

Passenger comfort is first and foremost at Cobra. Upholstery is custom fit and triple-stitched.

Standard features include custom steering wheel and color coordinated gauge bezels.

For your convenience, in-floor self-draining insulated ice chest.

Seating for ten! There's not a more space efficient 21-foot family performance sportboat on the market

The class of the family runabout class! Enjoy uncompromised Cobra quality with full-feature amenities. Seldom do you encounter such excellence in a family bowrider. Read about it in: Hot Boat Magazine, February 2002.
